# Introduction

Created on September 16, 2004, the objective of CAUD cooperative society is to fight against poverty in rural areas. It began with 200 members and now has 1399 producers, including 1278 men and 121 women. It is a cooperative society with a Board of directors comprised of 7 members including 3 women. With an estimated cooperative potential of 2,513,886 kg, its vision is to be the leading cooperative in Loh Djiboua through the economic and social development of its members.

## Quality and Productivity

For productivity and quality, the activities carried out are:

- Training of producers on good agricultural and environmental practices
- Distribution of fungicides
- Distribution of insecticides
- Distribution of fertilizers
- Distribution of shade trees

## Social Projects Developed

The Fairtrade premium has allowed us to realize social projects such as :

- The construction of an elementary school with toilets
- The construction of village hydraulic pumps
- The construction of a central storage warehouse

---

# **WOMEN SCHOOL OF LEADERSHIP AND OTHER YOUTH INCLUSION PROJECT**

---

- Training of 165 women, including 42 young girls, on women's leadership
- Installation of an irrigation system of one hectare for market gardening
- Distribution of seeds (eggplant, okra, cucumber, pepper...)
- Distribution of insecticide
- Distribution of fertilizer
- Setting up of VSLA (Village Saving and Loan Association)
- Installation of 2 literacy centers in two communities (Goudi and Gbokokro)

The change observed is the initiative to organize women in groups, to decide for themselves what is best for them and to carry out group and individual income-generating activities.
